

St. Joseph's Child Care Center

Covid-19 new protocols

- **Hand washing** – children and adults must wash hands upon entering classrooms.
- **Face mask** - must be wear by every adult (staff and parents) at all times.
- **Drop off** – parents will drop of their children at the classroom's door. They will not be allowed inside the classrooms.
- **Temperature monitoring** – children, staff and parents will have a temperature check upon arrival. Teachers must check children's temperature if they feel warm to the touch.
- **Tours** – only one parent will be allowed in the center to visit outside classroom's glass panel. No visits inside the classrooms will be allowed.
- **Staff** – are not allowed to visit other classrooms unless assign by office staff.
- **Lunch time** – family style meals are suspended. Teachers must serve the meals and wear masks while serving, but are not allowed to eat with the children.
- **Staff lounge** – only 3 staff members are allowed in the teachers' lounge at a time.
- **Enrichment programs** – are suspended for now, including Silly Sam.
- **Family activities** – are suspended for now.
- **Playgrounds** – each classroom will go outside by itself. Teachers must spray toys and equipment with a bleach solution after each use.
